

I made a generous gift to  
Women for Women  
International in your  
name that could provide:

Credit: Women for Women International

**A Bicycle**

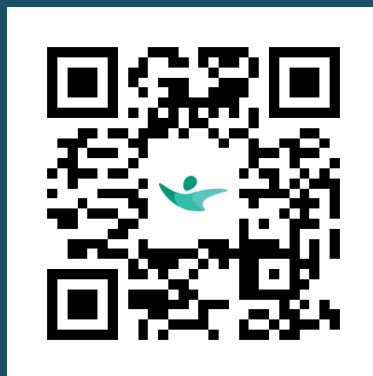

The donation made in your name is going to help women survivors of war rebuild their lives. Women for Women International's Stronger Women, Stronger Nations programme helps train women to learn about their rights, their health and wellbeing, how to save and earn an income – all together in a classroom with 24 other women, creating a vital support network.

This gift could provide a bicycle for a woman survivor of war. In South Sudan, the women we serve often use bicycles as their means of transportation from farms to the market and back.

A bicycle helps a woman quickly transport more goods to the market and is essential for keeping up with business. Women like Mukunde.

*“Owning a bicycle has transformed my ability to earn an income and support my four children. I can carry my vegetables from the farm to the market with ease. With the income earned by the bicycle, all my children go to school, they are fed, and getting clothes. I am now self-sufficient.”*

Please scan the QR code below to hear more about the transformative power of owning a bicycle in helping women like Mukunde create a brighter future for themselves and their families.
