

I made a generous gift to
Women for Women
International in your
name that could provide:

**A Baking Kit:
Rolling Pin, Flour,
Tins**

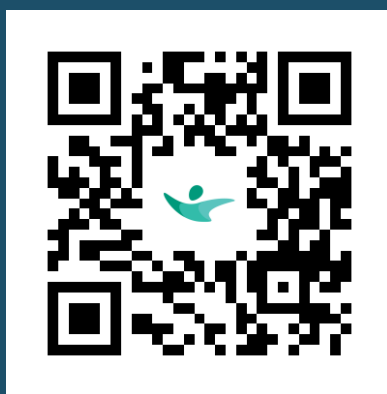

The donation made in your name is going to help women survivors of war rebuild their lives. Women for Women International's Stronger Women, Stronger Nations programme helps women learn about their rights, their health and wellbeing, and how to save and earn an income – all together in a classroom with 24 other women, creating a vital support network.

This gift could provide a baking kit for a woman survivor of war. When women in countries including Afghanistan, the Democratic Republic of the Congo or South Sudan step into the kitchen to bake, they aren't just making treats for their friends and family – they are managing their business and earning an income.

Women like Ivonne in the Democratic Republic of the Congo. She shares:

“I learned how to bake through Women for Women International’s Stronger Women, Stronger Nations programme. I no longer have to depend on a man for support. With the money I have earned from bread making, I am able to pay for my kids’ school fees.”

Please scan the QR code to find out more about how Ivonne was able to build a brighter future for herself and her family through baking.
