**Vocational
Skills Training**

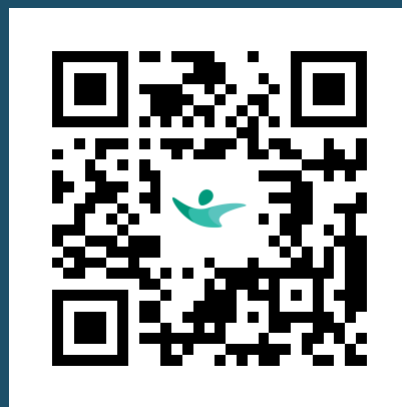

The donation made in your name is going to help women survivors of war rebuild their lives. Women for Women International's Stronger Women, Stronger Nations programme helps train women to learn about their rights, their health and wellbeing, how to save and earn an income – all together in a classroom with 24 other women, creating a vital support network.

This gift could provide women like Euphrasie with vocational skills training, helping her to become an entrepreneur and start earning a sustainable income to support herself and her family.

As Euphrasie shared:

"I learned how to do beadwork during the programme, and after I graduated, I became a teacher for other women. My vision is to expand my work. I'm very optimistic about where I came from and where I am now. I'm ready to put my knowledge and skills to use and teach others."
