

16 DAYS OF ACTIVISM

#SheDares

16 Days of Activism against Gender-Based Violence is a worldwide annual campaign that takes place **25th November - 10th December**. It's a time for us to make noise and use our power to help prevent and eliminate violence against women and girls.

At Women for Women International, we believe that every action, no matter how small, can help end this critical issue.

Will you dare to take action today?
