

The Gender Action for Peace and Security network (GAPS), Amnesty International UK, Saferworld, Womankind Worldwide and Women for Women International invite you to the launch of:

Beyond Consultations: A toolkit for meaningfully consulting with women in fragile and conflict-affected states

in the Blue Room, 4 W 43rd Street, **New York**

at the 63rd session of the Commission on the Status of Women
on **Wednesday March 13th 2019** at **2:30pm**

This event will launch the '**Beyond Consultations Toolkit**' which is designed to enable more meaningful inclusion of women, women's groups and women's organisations in decision-making. The Toolkit was developed in partnership with women, women's groups and organisations in fragile and conflict affected countries and in response to their feedback that current consultation practices tend to be extractive, tokenistic and disempowering. The Toolkit therefore offers practical guidance to ensure that women's voices are meaningfully heard.

We would be delighted if you could join us.
Please confirm if you are able to attend at rsvpcsw@saferworld.org.uk
